de Métabolomique
et Fluxomique

LILLE,
MAY 19 TO 22
2026

LILLE GRAND PALAIS

1 Bd des Cités Unies,
59777 Lille

<http://18-js-rfmf-2026.sciencesconf.org>

Dear colleagues,

We are pleased to invite you to the 18th Scientific Days of the “Réseau Francophone de Métabolisme et Fluxomique”.

This 18th edition will take place from May 19 to 22, 2026, in Lille, at Lille Grand Palais.

This edition will offer our dynamic community an opportunity to meet and exchange ideas.

This year, we will highlight recent advancements in Metabolomics and Fluxomics, illustrating their relevance in the One Health framework that bridges human, animal, and environmental health.

To emphasize the contributions of young researchers, we will allocate oral presentation slots specifically for them.

Dr Marie LENSKI
Biologiste médicale, CHU de Lille
Contact : 18-js-rfmf-2026@sciencesconf.org

Dr Marc-Emmanuel DUMAS
Directeur de Recherche, CNRS
Contact : 18-js-rfmf-2026@sciencesconf.org
